

HIS 9000: Teaching Nationalis in HighSc

This two-day workshop is designed to serve as a supplement for instructors who teach the unit on nationalism in AP European History but it has relevance for secondary school teachers who engage topics of the nation, nationalism, and patriotism in their classrooms in a variety of contexts across history and social studies curriculums. This is a 1 credit graduate course for teachers and meets the requirements for Act 48 credit.

Credits: 1.0
