

# MSA 8350: Analytics Practicum

Capstone course for the MSA program. This course focuses on the application-based practicum project completed during the capstone term. Students will combine the concepts and skill set learned throughout the program to navigate the analytics process and partner with an organization on a real business analytics project. The course will blend lectures and assignments to help students obtain communication skills and project management skills needed to support their project and interactions with the client.

**Credits:** 3.0

**Prerequisites:**

MSA 8210 and MSA 8215 and MSA 8220 and MSA 8225 and MSA 8230 and MSA 8235 and MSA 8310 :Y
