

College Admissions Counseling Certificate

The Graduate Certificate in College Admissions Counseling is a specialized online program designed for current and aspiring high school, career and independent counselors looking to enhance their skills and sharpen their knowledge of the subject. The program combines both theory and practice in diverse cohorts from across the country, providing counselors with unique perspectives on a variety of admission-specific subjects.

The **12-credit program** curriculum includes four required courses (10 credits) and two electives (2 credits).

- **Three-credit online courses are 8 weeks.**
- **One-credit online courses are 4 weeks.**
